

# Four Question Fortune Teller Study Guide

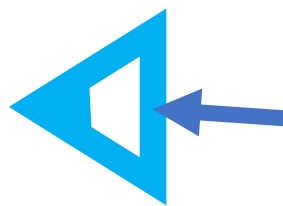

Green = vocabulary definition or another question

Blue = vocabulary word or answer to green question

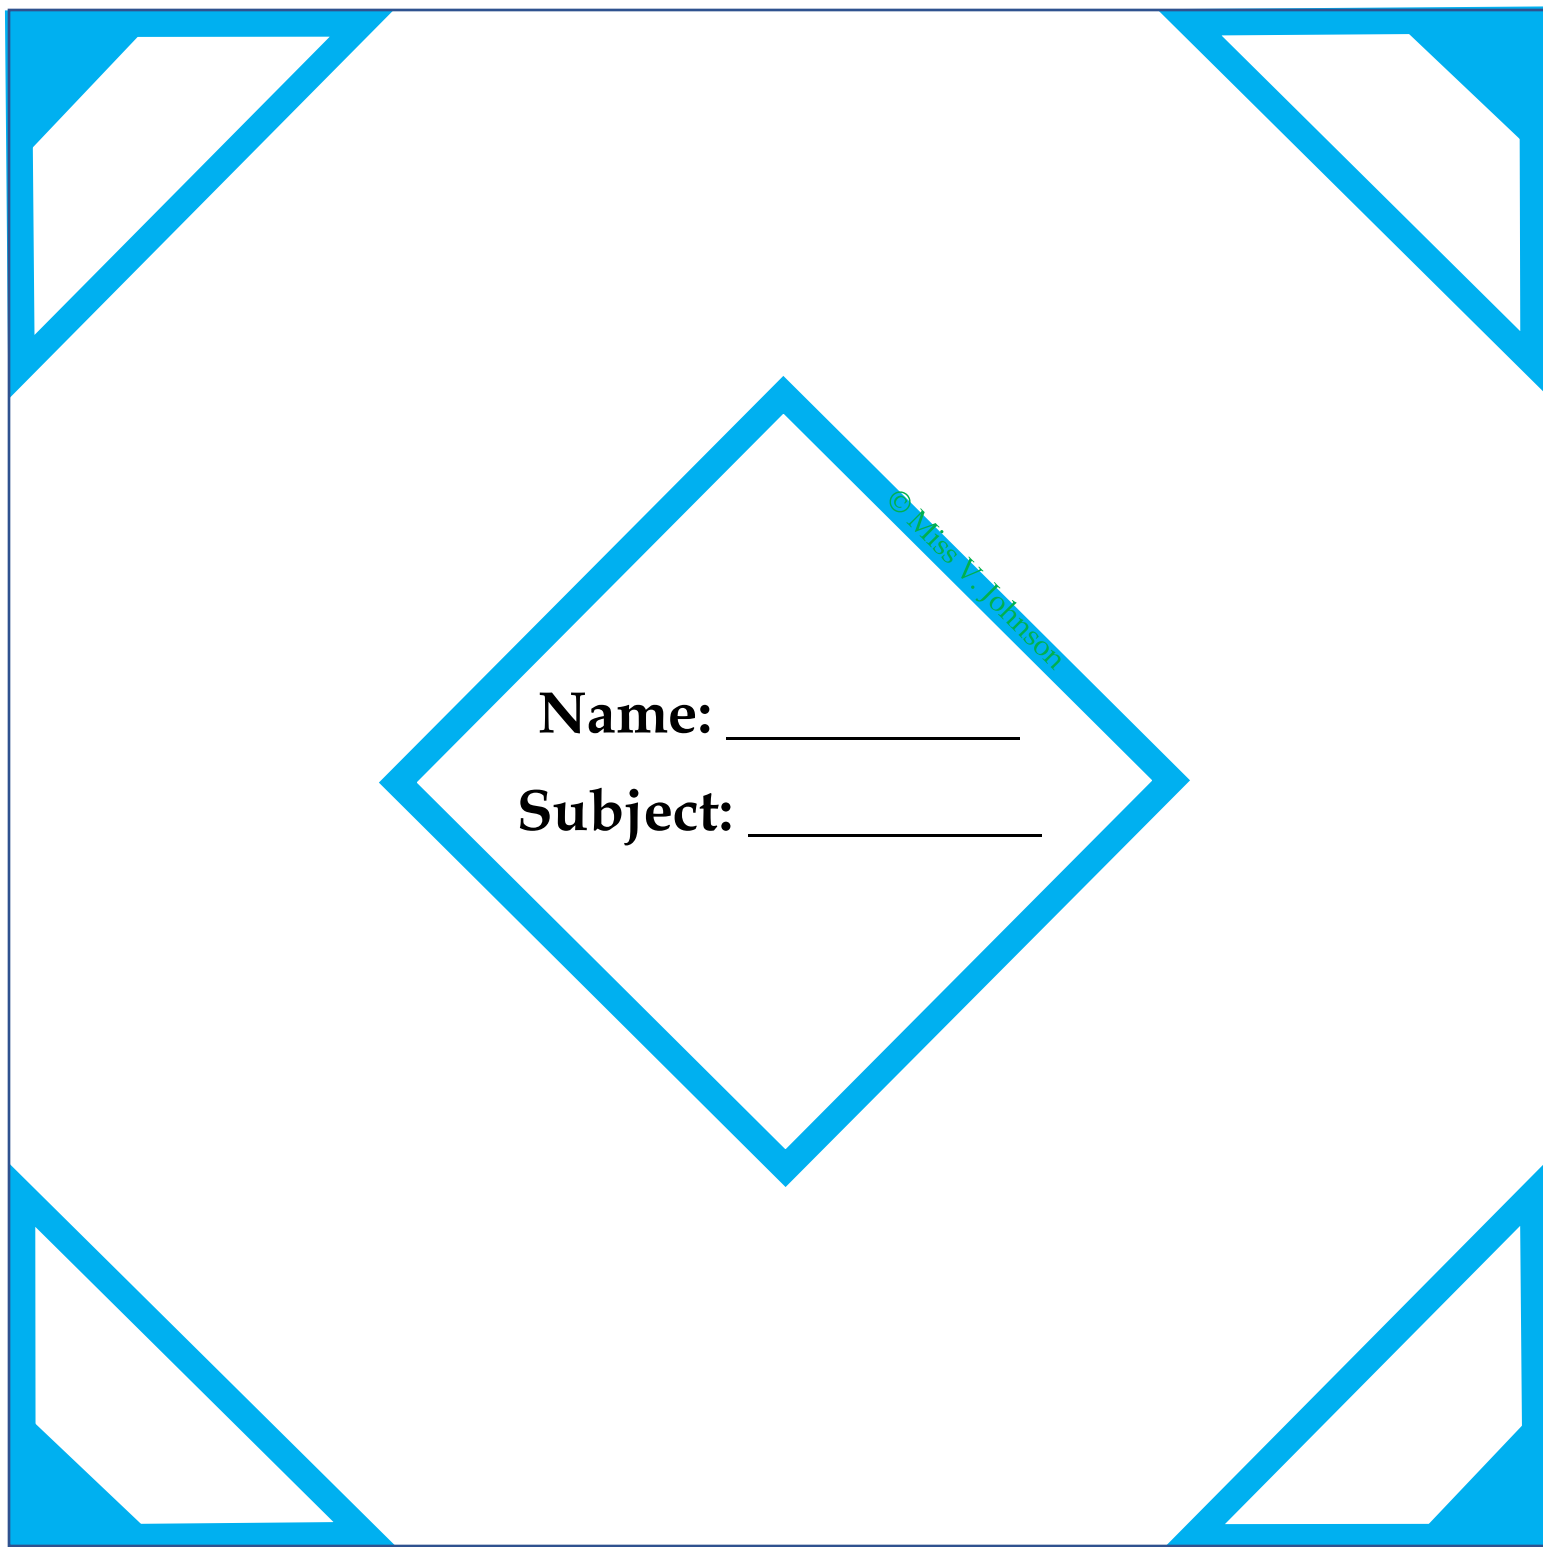

Pink = question

Orange = answer to question in pink

**\*NOTE\*** You can do the writing before folding.  
Please note that the filled in triangle indicates  
(shows) the top of each section.

For this  
triangle  
writing  
would  
face this  
direction

1. Cut out the square from this side following the blue lines.
2. Fold on the black line. The fold should be folded toward the blue diamond. Do this for all four corners.
3. Fold on the purple line in towards the orange center on opposite side. Do this for all four corners.
